

GK Questions For Class 1

1. Animals

- 1. What is the young one of the lion called as? Cub**
- 2. What is the young one of tiger called as? Cub**
- 3. What is the young one of goat called? Kid**
- 4. What is the young one of the kangaroo called? Joey**
- 5. What is the young one of the cow called as? Calf**
- 6. What is the young one of the elephants called? Calf**
- 7. What is the young one of the dogs called? Puppy**
- 8. What is the young cat called as? Kitten**
- 9. What is the young one of the duck called as? Duckling**
- 10. What is the young one of the chicken called? Chick**
- 11. What is the young one of sheep called as? Lamb**
- 12. What is the young one of the pig called as? Piglet**
- 13. What is the young one of deer called as? Fawn**
- 14. What is the baby horse called as? Colt**
- 15. What is the baby donkey called as? Foal**
- 16. What is the baby zebra called? Foal**
- 17. Where does a rat live? Hole**
- 18. Where does a lion live? Den**
- 19. Where does a rabbit live? Burrow**
- 20. Where does a dog live? Kennel**
- 21. Where does a pig live? Pig sty**
- 22. Where does a cow live? Cow Shed**
- 23. Where does a sheep live? Sheep Pen**
- 24. Where does a goat live? Barn**
- 25. Where does a tiger or elephant live? Lair**
- 26. What sound does a dog make? Barks**
- 27. What sound does an elephant make? Trumpets**

28. What sound does a cat make? Mews
29. Which animal sounds neighs? Horse
30. Which animal sounds moos? Cow
31. Which animal sounds bleats? Goat
32. Which animal sounds brays? Donkey
33. Which animal says baa baa? Sheep
34. Which animal guards our house? Dog
35. Which animal gives us wool? Sheep
36. Which animal is called ship of desert? Camel
37. What does rabbit like to eat? Carrot
38. Which animals help us to pull carts? Ox and Horse
39. Which animal helps the farmer? Ox
40. Which animal has a pocket in its belly? Kangaroo

481. Which is the least populated country in the world? Vatican city
482. Which is the most sensitive organ in our body? Skin
483. Which is the principal source of energy for earth? Sun
484. Which is the biggest part of the brain? Cerebrum
485. What is the currency of Sri Lanka? Sri Lankan Rupee
486. What is the currency of India? Indian Rupee
487. What is the currency of USA? US Dollar
488. What is the currency of the UAE? UAE Dirham
489. What is the largest cat in the world? Tiger
490. Which of the following will not dissolve in water, salt, sugar, or sand? Sand 491.
- Which metal is heavier, silver or gold? Gold
492. How many legs do butterflies have? 6
493. Which is the country with the most population? China
494. What is the rhino's horn made of? Hair
495. What is the name of the dog that went into space first? Laika.
496. Dr. A.P.J. Abdul Kalam originally was a _____? Aeronautical Engineer 497. India is _____ largest country in the world? 7th
498. Which is the largest flower in the world? Rafflesia
499. Which is the largest planet? Jupiter
500. Which is the longest river in the world? Nile
501. Which is the highest mountain in the world ? Mount Everest
502. Which is the biggest desert in the world? Sahara Desert
503. What food makes up nearly all of a giant panda's diet? Bamboo
504. Eagles are good at spotting prey from a long distance; how? Excellent Eyesight.
505. True or false? Cats spend an average of half a day sleeping. True
506. What is the only continent on earth where giraffes live in the wild? Africa 507.
- What is the most recognizable physical feature of the male lion? Its Mane 508. Can frogs live in salt water? Yes/No? No
509. True or false? The common cold is caused by a virus. True
510. True or false? Pure water is tasteless. True
511. True or false? Water covers more or less 70% of the earth's surface. True
512. True or false? Ice sinks in water. False. It Floats
513. What is a dog's most powerful sense? Smelling
514. Who has better hearing, a human or a dog? Dog
515. Do male or female mosquitoes bite people? Female
516. What country has the second largest population in the world? India
517. The scientific study of plant life is known as what? Botany
518. True or false? Humans were on earth before plants. False
519. What grain has the highest level of worldwide production? Maize

520. What is the baby frog called as? Tadpole
521. What we wear to keep our hands warm? Gloves
522. What is the opposite of below? Above
523. Name any one non national festival of India? Deepavali
524. Who is also known as "Bapu ji"? Mahatma Gandhi
525. Which computer company by the name of a fruit? Apple
526. Who celebrates Gurupurab festival? Sikhs
527. Name a place which is not near your home, airport or shop? Airport
528. Which bird has the largest wing span? Albatross
529. Which is the heaviest snake? Anaconda
530. Which is the heaviest bird of prey? Andean Condor
531. Which is the fastest growing plant? Bamboo
532. What is the most contagious disease? Common cold
533. Which is the heaviest dog (breed)? English Mastiff or St. Bernard
534. Which is the longest bone in the human body? Femur
535. Which is the largest muscle in the human body? Gluteus Maximus
536. Which is the tallest dog (breed)? Great Dane
537. Which is the longest venomous snake? King cobra
538. Which is the heaviest internal organ in the human body? Liver
539. Which is the strongest muscle in the human body? Masseter (jaw muscles)
540. Which is the longest cells in the human body? Nerve cells (neurons)
541. Which is the most common blood group in humans? O
542. Which is the fastest flying bird? Peregrine Falcon
543. Which is the longest snake? Reticulated Python
544. Which is the smallest bone in the human body? Stirrup
545. Which is the most common non-contagious disease? Tooth Decay
546. What is the capital of china? Beijing
547. What is the capital of Pakistan? Islamabad
548. What is the capital of Sri Lanka? Colombo
549. What is the capital of Japan? Tokyo
550. What is the capital of Bangladesh? Dhaka
551. What is the capital of Nepal? Kathmandu
552. What is the capital of Bhutan? Thimphu
553. What is the capital of Afghanistan? Kabul
554. What is the capital of Maldives? Malé
555. What is the closest planet to the sun? Mercury
556. What is the name of the 2nd biggest planet in our solar system? Saturn
557. What planet is famous for its big red spot on it? Jupiter
558. What planet is famous for the beautiful rings that surround it? Saturn
559. Can humans breathe normally in space as they can on earth yes /no ? No
560. Is the sun a star or a planet? A star
561. Who was the first person to walk on the moon? Neil Armstrong
562. What planet is known as the red planet? Mars
563. What is the name of the force that holds us to the earth? Gravity
564. Have human beings ever set foot on mars? No
565. In which galaxy earth is located? The Milky Way Galaxy
566. Does the sun orbit the earth—yes/no? No
567. Is the planet Neptune bigger than earth yes/no? Yes
568. Which country was the first to land a man on the moon? USA
569. In terms of land area, what is the largest country in the world? Russia

570. True or false? Mice live for up to 10 years. False
571. Are butterflies insects yes/no? Yes
572. What is the smallest planet in the solar system? Mercury
573. What is the hottest planet in the solar system? Venus
574. What planet in the solar system is farthest from the sun? Neptune
575. What do we see in the sky by night? Moon and Stars
576. What are called sandy lands? Desert
577. How many directions are there? 4
578. In which direction does the sun set? West
579. In which direction does the sun rise? East
580. What do you see in the sky in morning time? Sun and Clouds
581. Can you count the number of stars—yes/no? No
582. Which planet we live? Earth
583. How many planets in solar system? 8
584. Which gives us heat and light? Sun
585. By which virus, commonly disease caused to people? Hepatitis B virus
586. Which star is at the centre of our solar system? Sun.
587. How much time does sun rays take to reach earth? 8.4 minutes.
588. Which planet is known as the morning star or the evening star? Venus.
589. Which planet has the most moons? Jupiter with 66 moons.
590. Which is the coldest of all planets? Neptune
591. Which star is called earth's satellite? Moon.
592. What is the orbital period of moon? 27 days.
593. Which planet has the most volcanoes? Venus.
594. Which planets do not have moons? Mercury and Venus.
595. Which planet spins backwards relative to the others? Venus.
596. When was the first man made object sent into space? 1957.
597. Why do we have high & low tides? Due to Sun's & Moon's gravity.
598. What is an astronaut employed by the Russian Federal Space Agency called as?

Cosmonaut.

599. Who was the first person to reach space? Yuri Gagarin, in 1961.
600. Who was the first woman to reach space? Valentina Treshkova, in 1963.
601. When does a lunar eclipse occur? When the Earth is in between -- Sun & Moon.
602. Which planet has approximately the same landmass as earth? Mars.
603. True or false? Water boils at 100 degrees Celsius. True
604. Nimbus, cumulus and stratus are types of _____? Clouds
605. Water freezes at what temperature? 0 °C
606. Water is made up of what two elements? Hydrogen and oxygen
607. The deepest point in all of the world's oceans is named what? Mariana Trench
608. What is baby fish called as? Fisherling
609. Name the planets in the solar system? Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus and Neptune

4. Nation

610. What is the name of our Country? India
611. What is the Capital of India? New Delhi
612. Who is our Indian Prime Minister? Mr. Narendra Modi
613. Who is our Indian President? Mr. Pranab Mukarjee
614. What is the name of our State? Tamil Nadu

- 615.What is the Capital of Tamil Nadu? Chennai
616.Who is the Governor of Tamil Nadu? Mr. C. Vidyasagar Rao
617.Who is the Chief Minister of Tamil Nadu? Dr. J. Jayalalitha
618.Who is the Father of Indian Nation? Mahathma Gandhiji
619.What is the National fruit of India? Mango
620.What is the National animal of India? Tiger
621.What is the National flower of India? Lotus
622.What is the National bird of India? Peacock
623.What is the National tree of India? Baniayan tree
624.What is the National river of India? Ganaga
625.What is the National anthem of India? Jana gana mana
626.What is the National song of India? Vanthematharam
627.How many colours in the National flag of India? Tri colour
628.What are the colours in Indian flag? Saffron, White and Green
629.When is Independence day of India? 15th august
630.When is Republic day of India? 26th January

5.Famous Persons

- 631.Who is known as Tamilnadu's National Poet? Mahakavi Bharathiyar
632.Who wrote Aathichudi? Aavaiyar

640.Who is the political guru of Gandhiji? Gopal Krishna Gokulae
641.Who is known as Tamil Helmsman? V.O. Chidambaram Pillai
642.Who is Uneducated Genius & King Maker of Tamil Nadu? Mr. K.Kamaraj

6.Colours And Shapes

- 643.What is the colour of an apple? Red
644.What is the colour of leaf? Green
645.What is the colour of milk? White
646.What is the colour of sky? Blue
647.What is the colour of moon? White
648.What is the colour of sun? Yellow
649.How many colours in rainbow? 7
650.What is the colour of orange fruit? Orange Colour
651.What is the colour of carrot? Orange Colour
652.What is the colour of parrot? Green
653.Name any 5 colours? Red, Blue, Green, Orange and White
654.What are primary colours? Red, Blue and Green
655.What colour starts with 'R'? Red
656.What colour starts with 'B'? Blue
657.What colours starts with 'Y'? Yellow
658.What colour you paint on crow picture? Black
659.What is the colour of ambulance? White
660.What is the colour of tomato? Red
661.What is the colour of tamarind? Brown

- 662.What is the colour of Ashoka Chakra of National Flag of India? Navy Blue
663.What is the colour of teeth? White
664.What is the colour in top of the traffic signal? Red
665.What is the colour in middle of the traffic signal? Yellow
666.What is the colour in bottom of the traffic signal? Green
667.What is the Santa Clause dress colour ? Red
668.What is the colour of lotus? Pink
669.What is the colour of penguins? Black and White
670.What is the colour of jasmine? White
671.How many sides a square have? 4
672.What shape has 3 sides? Triangle
673.What shape is cylinder? Cylindrical
674.What is the name of half circle? Semi Circle
675.Which shape has 8 sides? Hexagon
676.Which shape has 5 sides? Pentagon
677.What is the shape of the ball? Sphere
678.What is the shape of the egg? Oval
679.What is the shape of the post card? Rectangle
680.What is the shape of the wheel? Round
681.What is the shape of the kite? Quadrilateral
682.What is the shape of a dice? Cube
683.What is the shape of the CD and DVD? Round

7.Food And Taste

- 684.Which food is eaten raw? Fruits
685.What kind of food keeps our body healthy? Balanced diet
686.Where do we get salt from? Sea water
687.Which electronic appliance keeps food cool? Fridge
688.Name some cooking devices? Gas Stove and Microwave Oven
689.Name some food items? Burger, Cake, Pizza, Idly and Dosai
690.Name some drinks? Coffee, Tea, Boost, Bornvita and Horlicks
691.What is the first food of the day / morning food? Breakfast
692.What is the last food of the day when is taken? Dinner -Night
693.Where do we get milk, eggs and meat from? Animals
694.Where is sugar is obtained from? Sugarcane
695.What do we need when we feel hungry? Eat food
696.Which food you like most? Chapathi and Poori

8. Fruits

- 697.What is the king of fruits? Mango
698.Name any 5 fruits? Apple, Orange , Sweet Lime, Watermelon and Grapes
699.Name some fruits red in colour? Red Pears, Pomegranate and Cherries
700.Name some fruits yellow in colour? Banana, Papaya and Lemon
701.Name a fruit that grows in bunches? Grapes
702.What is the taste of orange? Sour
703.Which fruit are eaten with seeds? Pomegranate
704.Name any one seed fruit? Mango
705.Name some many seed fruit? Watermelon, Pomegranate and Papaya

- 706.What is the colour of cherry? Red
707.Which fruit has hard skin? Jackfruit
708.Name a seedless fruit? Pineapple
709.Which fruits has high water content? Watermelon, Orange and Sweet Lime

9. Vegetables

- 710.Where do we get vegetables from ? Trees and Plants
711.What is the colour of beet root? Red
712.Which vegetable looks like finger? Ladies Finger
713.What is the taste of green chillies? Hot
714.What is the taste of bitter gourd ? Bitter
715.What is the taste of lemon? Sour
716.Which vegetable we eat uncooked? Carrot, Cucumber and Tomato
717.Which vegetable is full of leaves? Cabbage
718.Which vegetable is violet in colour and has a crown? Brinjal
719.Which vegetable makes us to tear, while cutting? Onion
720.Why we tear when we cut onion? Lachrymatory-Factor Synthase

10. Flowers

- 721.Name any 5 flowers? Jasmine, Rose, Marigold, Lotus and Lily
722.Name any 2 yellow colour flower? Sunflower and Daisy
723.Which flower turns its face towards sun? Sunflower 724.Name some flowers grows in pond? Water Lily and Lotus 725.Which flower is called king of flower? Rose 726.Which flower is red in colour and sweet in smell? Rose 727.Which flower is used to extract cooking oil? Sunflower 728.Which flower blossoms during night? Water Lily 729.What is the colour of marigold? Orange 730.Which flower is mostly used in perfume? Jasmine

11. Vehicle And Traffic

- 731.Where does the ship sail? Sea Water 732.How many wheels a car have? 4
733.Which motor vehicle is used by the farmer for cultivation? Tractor
734.Which vehicle is used to carry goods? Truck and Lorry 735.What is the use of vehicle? Transport 736.Name any five road vehicles? Bus, Car, Van, Auto and Bike 737.Who gives ticket in bus? Conductor 738.How many wheels in a bus? 4
739.How many wheels in cycle and bike? 2 740.Who travels in the vehicle? Passengers 741.Which vehicle is used to travel in the sky or air? Aeroplane & Helicopter 742.Which vehicle used in travel water? Ship and Boat 743.Who drives the ship? Helmsman 744.Which vehicle runs in the track? Train 745.Which the longest transport in land? Train 746.Traffic signal colour stands for? Red – Stop, Yellow – Ready, Green – Go

747. Which vehicle carries the patient? Ambulance
748. Which vehicle stops the fire? Fire Service
749. Which vehicle destroys buildings? Bulldozer
750. Which vehicle carries satellite? Rocket
751. Which vehicle carries astronaut? Space Ship
752. Which vehicle pulled by oxen? Bullock Cart
753. Which vehicle pulled by horse? Float

12. School And Class Room

754. What is the name of your school? M.L.M.M.H.S.S
755. Where is your school located? Mamallan Nagar
756. What is the colour of your uniform?
Monday-White & White Other working days -White & Maroon
757. What is the colour of board your teacher writes? Black
758. How do you carry books and notebooks to school? School bag
759. Name the subjects that you study? English, Tamil, Maths, Science & Gk
760. Name the subject you study with alphabets? English
761. Name the subject you study with numbers? Maths
762. What you use to write in notebook? Pencil
763. What you use to erase? Eraser
764. Where you sit in your class? Chair
765. Weekly when is your holiday to school? Saturday and Sunday
766. Tell any names of five friends of your class? Karthik Subramanian,
Sarveshwaran, Pavan, Dhanusiya and Dharshini

13. Year And Month

767. Name the weekdays ? Sunday, Monday, Tuesday, Wednesday, Thursday, Friday and Saturday
768. How many months in the year? 12
769. Name the months in a year? January, February, March, April, May, June, July, August, September, October, November and December
770. Which day comes before Friday? Thursday
771. Which day comes before Monday? Sunday
772. Which day comes before Wednesday? Tuesday
773. Which day comes before Saturday? Friday
774. Which day comes before Friday? Thursday
775. Which day comes next to Tuesday? Wednesday
776. Which day comes next to Sunday? Monday
777. Which day comes next to Thursday? Friday
778. Which day comes next to Saturday ? Sunday
779. Which day comes next to Monday? Tuesday
780. Which month comes next to August? September
781. Which month comes next to April? May
782. Which month comes next to October? November
783. Which month comes next to January? February

- 784.Which month comes next to September? October
785.Which month comes before December? November
786.Which month comes before September? August
787.Which month comes before August? July
788.Which month comes before March? February
789.Which month comes before November? October
790.How many days in a month? 30
791.How many weeks in a month? 4
792.How many days in a year? 365
793.How many days in a leap year? 366
794.Which month has least days in a year? February
795.Which is the first month of the year? January
796.Which is the last month of the year? December
797.In India which month we celebrate Gandhi Jayanthi? October
798.In India which month we celebrate Teacher's day? September
799.In India which month we celebrate Children's day? November
800.In India which month we celebrate Republic day? January
801.In India which month we celebrate Independence day? August
802.In India which month we celebrate New year? January

14. Public Place

- 803.What is the purpose of hospital? To treat the patient
804.What is given to patients during treatment? Medicines
805.Who assists doctors? Nurse
806.Where the trains stops? In the Railway Station
807.What is the stopping place for bus is called? Bus Stop
808.Where do we go to take photos? Photo Studio
809.Where the place books are kept for reading? Library
810.Where cakes and biscuits are prepared? Bakery
811.Where you purchase the medicines? Medical shop
812.Where you go for transaction of your money account? Bank
813.Where you go to give complaint of robbery? Police Station
814.Where well grown up boys and girls go for playing? Play ground
815.Where you go to purchase household articles? Supermarket
816.Where you go to eat? Hotel
817.Where you go to repair vehicles? Garage
818.Who sells vegetables? Green grocers
819.Where you go, to get in the aeroplane? Airport

15. Human Body Parts

- 820.What is the colour of your hair? Black
821.How many fingers in your hands? 10
822.How many fingers in your legs? 10
823.Which organ helps us to the see objects? Eyes
824.Which organ helps us to smell? Nose
825.Which organ helps us to eat? Mouth
826.Which organ helps us to walk? Legs

- 827. Which organ helps us to hear? Ears
- 828. Which organ helps us to taste? Tongue
- 829. Which organ helps us to write? Hand
- 830. How do you clean your teeth? Tooth Brush and Paste
- 831. How do you dress your hair? By Comb
- 832. How do you clean and cut your nails? Nail Cutter
- 833. What do you use to clean your body while bath? Soap
- 834. What substance are nails made of? Keratin
- 835. What is the human body's biggest organ? The Skin
- 836. How many lungs does the human body have? 2
- 837. The two holes in your nose are called? Nostrils
- 838. How many bones in our body? 206

18. Jobs And Helpers

- 940. Who rescues people during fire accident from burning buildings? Fire Fighter
- 941. Who defends people's rights in the court? Lawyer
- 942. Who works in a bank can keep records of money? Accountant
- 943. Who answers phone calls and work for his or her boss? Secretary
